CONTENTS	Pp.
VIRGIL ATANASIU and DUMITRU LEOHCHI, Tooth Wear Effects on Shared Dynamic Loads of Spur Gear Pairs (English, Romanian summary)	9
DĂNUȚ RECEANU, Nonlinear Control in the Servomechanisms for Positioning of an Industrial Robot (English, Romanian summary)	17
VLAD MARIO HOMUTESCU, Maximum Performances of the Stirling Machine Working as Motor-Driven Compressor (English, Romanian summary)	27
DAN-TEODOR BĂLĂNESCU, PAVEL-DORU VASILIU and CONSTANTIN-EUSEBIU HRIȚCU, Energetic Analysis of a Biogas Combined Cycle / CHP System Based on ORENDA OGT2500 Gas Turbine (English, Romanian summary)	39
HARALAMBIE MIHAIL VARTOLOMEI, An Experimental Installation for the Study of the Flow in an Adiabatic Regime Through Capillary Tubes (English, Romanian summary)	47
OVIDIU BALAN and VIRGIL VLAHIDIS, The Determination of Physico-Mechanical Properties of the Seedlings (English, Romanian summary)	55
IOAN BĂISAN and GELU NUȚU, Research Concerning the Influence of Angle of Filing From the Knife Blades Vindrovers on the Mechanical Work on Cutting (English, Romanian summary)	67
DĂNUȚĂ COZMA, OANA ELIZA BĂETU and DRAGOȘ CRISTIAN ACHIȚEI, Research on Active Elements Wear of the Working Bodies Used on Cereals Milling (English, Romanian summary)	73
VASILE HUIAN, DORU CĂLĂRAȘU, BOGDAN VĂCEANU and VASILE NENERICĂ, A Behavior Study of an Adjustable Hydraulic Driving System with Secondary Control Subjected to Load Variations (English, Romanian summary)	81
EUGEN CORDUNEANU, Determination of the Equivalent Damping Constant of a Series Assembly of Elastic Springs (English, Romanian summary)	87

EUGEN CORDUNEANU, Determination of the Equivalent Damping Constant of a Parallel Assembly of Elastic Springs (English, Romanian summary)	93
RĂZVAN COSTEL CERNAT, A 3-Dimensional Finite-Element Analysis Investigating the Behavior of the Mandible in Cases of Substance Losses (English, Romanian summary)	97
IOANA FLORINELA CERNAT (ȘURUBARU), CAD – Techniques Used in Optimization of Facial Reconstruction (English, Romanian summary)	105
ADINA POPESCU and DELIA SUCIU, Structural and Economic in Seismic Protection Through Added Damping (English, Romanian summary). . .	115
