OCTAVIAN CIOBANU and GABRIELA CIOBANU, A Study on Two Cost Effective Scanning and Modeling Techniques Used for the Fabrication of an Orthotic Mask (English, Romanian Summary).....	1
OCTAVIAN CIOBANU and GABRIELA CIOBANU, Evaluation of a Photo Based Scanning and 3D Reconstruction Technique Applied in Medical Engineering (English, Romanian Summary).....	9
CĂTĂLIN UNGUREANU and RADU IBĂNESCU, About Manufacturing Processes Capability Analysis. I. Theoretical Study and Methodology (English, Romanian Summary).....	17
CĂTĂLIN UNGUREANU and RADU IBĂNESCU, About Manufacturing Processes Capability Analysis. II. Case Study (English, Romanian Summary).....	23
TEODOR FLORIN, VASILE MARINESCU and ALEXANDRU EPUREANU, Algorithm for Compacting a Three Dimensional Petri Network that Simulates the Reconfigurable Manufacturing System Operation (English, Romanian Summary) .....	31
TEODOR EMIL MIRCEA, Machining Error Sources Clasification for Machine Tools (English, Romanian Summary).....	39

TEODOR EMIL MIRCEA and CĂTĂLIN DUMITRAȘ, A Review over Electrical Methods for Measuring the Machine Tools' Precision (English, Romanian Summary).....	45
ABDELATIF AIB, SMAIN AIB, RACHID CHAIB, ION VERZEA and IRINA COZMINCA, Rail Traffic Safety. Case Study: Rupture of Coupling (English, Romanian Summary).....	53
HOUSSEM EDDINE BENCHEIKH-LEHOCINE, RACHID CHAIB and ION VERZEA, Mapping of the Risks of the Gas (CE 211) Skikda Travelling Centre (English, Romanian Summary) .....	67
DĂNUȚ ZAHARIEA, Comparative Study of the Emptying Process of Variable Cross Section Tanks Through an Emptying Orifice (English, Romanian Summary).....	77
IRINA MARDARE, VASILE DAMASCHIN and MIHAI AFRĂSINEI, Analysis of the Influence of Loading Force Variation on the Hydraulic WIM System Behavior (English, Romanian Summary).....	85
IRINA MARDARE and IRINA TIȚA, Analysis of the Influence of a Hydraulic Resistance on the Behavior of a Hydraulic WIM System (English, Romanian Summary) .....	91
GHEORGHE PLEȘU and FLORIN CHIFAN, Study of Staggered-Tooth Milling Cutter and Design of Milling Cutters with Increased Durability for Processing Screw Compressors (English, Romanian Summary).....	97
IONUT SPĂTARU and EUGEN STRĂJESCU, Current State of Vacuum Equipment for Multilayer Coating Deposition on Large Area of Glass (English, Romanian Summary).....	109
IONUT SPĂTARU and EUGEN STRĂJESCU, Plasma Technologies for Glass Coating (English, Romanian Summary).....	117
